---

An act to amend Section 1784 of the Welfare and Institutions Code, relating to youths.

LEGISLATIVE COUNSEL'S DIGEST

AB 2114, as introduced, Galgiani. Youths.

Existing law states the findings and declarations of the Legislature that the mobilization of community resources to help in providing youthful offenders with services which relate to the root causes of delinquency is vital and that juvenile justice community resource programs should be encouraged and supported.

This bill would make technical, nonsubstantive changes to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
